25X1A

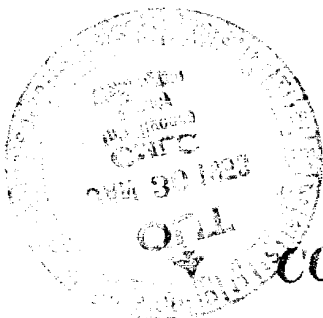

1. Reference is made to your Disposition Form ACSI-CDCI, dated January 19, 1956, subject as above.

2. In view of the vital importance of timely information on Soviet theories, techniques and probable lines of research in the fields of Atomic, Biological, and Chemical Warfare, it is recommended that the exploitation of Soviet books and monographs relating to AW, BW and CW be transferred from Tab B to Tab A.

3. With this proviso, Chemical Corps Intelligence Agency concurs with the proposed exploitation program of the Advisory Committee on Foreign Language Publications and considers it quite adequate to satisfy the present requirements of this agency.
